

Curriculum Overview and Components

The DPT program is a full-time, closed, 36-month, cohort curriculum leading to a Doctorate in Physical Therapy (DPT). Part-time enrollment is not offered. As this is a professional DPT program and it is difficult to assess the depth and breadth of courses taken at other institutions, transfer credits are not accepted from other DPT programs. This intensive 114-credit hour curriculum consists of didactic lecture courses as well as clinical education experiences.
